

If you have an accident, will it hurt your bank account too?

Unum's Accident Insurance gives you something to fall back on.

Life can take a tumble.

With a full-time job and three active kids, Marsha has a lot of demands on her time — and her pocketbook. So if her kids break something other than a window, she doesn't want an injury to break her bank account as well.

Who's at risk?

- Every 10 minutes, more than 700 Americans suffer an injury severe enough to seek medical help.¹
- More than twice as many injuries requiring medical attention happen off the job rather than at work.²
