

“Guaranteed Ride Home” Program

Lutheran Senior Services is now participating in the “Guaranteed Ride Home” program, an incentive for employees in the St. Louis metro-area to commute to work by mass transit or bicycling (rather than driving alone). This program allows employees to take transit / bicycle while providing them a **“safety net”**, an assurance that they can get home and not be left at work if an unplanned situation arises. In effect, the program serves as a security blanket for those individuals who choose transit or bicycling as their commute option. Through our partnership with Citizens for Modern Transit (CMT), CMT will reimburse 80 percent of the cost of a cab ride, ride-hailing ride such as Lyft or Uber, or Enterprise Rent-A-Car rental up to \$60, up to four times a year. You can find all the details for this particular program online at www.cmt-stl.org/guaranteed-ride-home/

Lutheran Senior Services is a registered employer with the GRH program. Ask your HR Director who your location’s “Employee Transportation Coordinator” (ETC) is. You will need to have your ETC sign off on the receipt validating the reason for the emergency ride home.

Each interested employee will need to register online [HERE](#).

Instructions for Individual Enrollment:

- Register yourself as a transit (MetroLink or bus), bicycle or walk commuter. You can register online [HERE](#)!
- If individuals would like to rent a vehicle with Enterprise Rent-A-Car as their guaranteed ride home, here are the steps. Here is how:
 - Online: Go to www.enterprise.com
Use your discount code – 01GRH23 – and PIN: CMT
 - Or call 1-866-540-6222
Use reference discount number 01GRH23
 - Or go into any Enterprise rental office
Use reference discount number 01GRH23 for assistance with enrollment.
